(It was a good experience overall, I lost about 5 Kgs in 11 days, which is a good figure in a short period of time.)

Dr. Deepak has a good sense of humour, which entertained me. I will complete it next time, cause I have a flight to catch.

To,
Dr. Deepak Chaturvedi,

Thank You for a wonderful treatment you have given us in your clinic. You & your staff have always been very helpful whenever needed.

We had been trying to reduce my wife's weight from so many years with so many efforts. And you helped us out of it.

It has been a really nice journey with you & your staff. It is only because of you & your staff's efforts that my wife has been able to reduce so much weight.

Your "Amaya Clinic" has really proved helpful to us. It was always a nice & clean place whenever we came. It never gave us a feeling of being sick. You have always treated us with a lot of efforts. You have always tried to make us follow the treatment plan thoroughly to get better results in such a less time.

We are really grateful to you & your staff for being so cautious, respectful, trustworthy. You have never given a chance to regret. Thank You for always being with us.

Yours Sincerely,
Mr. & Mrs. Arun Jadhav

Amaaya has really been a boon to me.
for the past two months I have regained my confidence
and feeling like a twenty two year old.

Best part is the continuous follow ups from the
team which ensures that I do not miss my
treatments/appointments/injections in my Busy Schedule.

Dr. Deepak is like an inspiration in himself
and is the greatest motivator I have met.
All about his treatment simply spells "POSITIVE".
I have never felt so better and Positive ever in
life. Thanks Amaaya. Thanks A TON !!!

I arrived at Amaya weighing in a 135-140kg and have lost almost 30 kg (or above) over four months. The simple gravity of this weight-loss speaks of the effectiveness of the treatment Dr. Deepak Chaturvedi prescribed. The clinic's focus on regular monitoring ensured I persist with the instructions. Furthermore, Dr. Chaturvedi's ability to diagnose and correctly identify the problems @ with my metabolism and lifestyle practices, and effectively "fix" them through sustained monitoring. Also, Dr. Rashmi's continuous encouragement and during daily monitoring sessions kept me reminded of my goal and I never lost sight. To summarise, Amaya was a partner in weight loss effort. They combined the roles of a coach, doctor and cheerleader.
